MATERA'S MERMAID BEACH BUY

GOLD COAST Suns small forward Brandon Matera has purchased a three-bedroom villa at the northern end of Mermaid Beach for \$687,000.

The 24-year-old West Australian's two-storey apartment is within walking distance to popular Nobby Beach cafes, restaurants and shops.

Two large north-facing balconies overlook landscaped gardens in the apartment complex.

If Matera doesn't feel like hitting the beach, he has shared access to a swimming pool and tennis court.

The villa was sold through Luke Henderson of John Henderson Professionals Mermaid Beach.

Matera made his AFL debut for the Suns in 2011 against Carlton at The Gabba and is one of a handful of WA residents wearing a Gold Coast jersey in 2016.
