Nobby Beach Neighbourhood Watch

Creating Safer and Supportive Communities

JOIN US!

We would love to see you there!

Thanks to the support of the community. We have become a powerful voice for local issues and a conduit between residents, business, police and government.

We feel proud of what we have achieved as a community group, yet there always remain challenges ahead and we welcome any one who lives, works or plays in our area to join our discussion.

We are fortunate again to have local police, State Member Ray Stevens and Area Councillor Greg Betts confirm their attendance - so you have the opportunity to speak directly to the policy / decision makers and voice your view.

Autumn is here, and what a great time to enjoy what we all have around us to the maximum - Beaches, cafés, surf clubs and the weather. It's easy to see why we love living in paradise.

Join us to make Nobby Beach a safer and more welcoming community.

For all enquiries contact

Bring a friend or neighbour!

The larger our voice, the more we will be heard. So bring your neighbour or a friend to our meeting. As long as they work, live or play in Nobby Beach, they are welcome. As they say in the classics "The more the merrier".

Suggestions for Home Safety

The key to deterring burglars while you are away is to make your home look like someone's at home. Before heading off on holiday, here are some easy tips to prepare your home:

- Leave a radio on and tune it to a talkback station
- Use a timer on lamps to make it look like someone is inside
- Cancel deliveries, such as newspapers, or have a trusted person collect it for you
- You should also have a trusted neighbour or relative empty your letterbox and take your bin out and in, even if it is empty
- Hang some old clothes on the line and leave (a large pair of) old shoes outside the front door
- Do not post about your absences / holiday on social media
- If you are out for the evening, leave a light on and close the curtains.
