Convenor's Report

MEETING NOW ON WEDNESDAY NIGHTS

“Keep Nobby Beach a great place to live, work and play”

To ensure availability of the club room for our meetings at Nobby's Beach Surf Club, I have changed the regular meeting night to a Wednesday night. I hope that our usual contributors can still make the meetings plus let's hope we see some fresh faces who live work and play in Nobby's as well.

I would encourage anyone who has not yet attended our meetings to spare 60 minutes to come along to hear about what we can do to keep Nobby's Beach a great place to live, work and play.

Meet your neighbours, speak to local representatives and do your part to keep our area safe. I look forward to seeing you there!

Should you have any questions or comments in the meantime or would like anything raised on your behalf on the night, please contact me on the details provided below.

GCCC After Hours Emergency Contact

Many residents have had issues contacting Council outside the 9-5 normal operation (e.g. car parked across driveway, leaking water pipe). Cr Young has advised residents to call the A/H Emergency Centre on **1800 637 000** and report the issue as there are a number of staff rostered on after hours.
